**Our Mission:** To Edify the Body of Christ  
To Provide In-Depth Knowledge of the Bible  
To Equip Souls for Life and Ministry

**Our Motto:** Strive for Excellence

### They That Seek Me Shall Find Me

You will be taken through a systematic and divine order of study by anointed and qualified teachers, in an atmosphere of worship. We employ various methods of assessment: role plays, presentations, class tests and unit assessments. You will also be expected to spend some quality time studying and meditating upon the Word of God; this will undoubtedly enhance your understanding, allow the Word to take root in your heart and strengthen your relationship with the Lord. BIBS emphasise that the foundation of ministry is your relationship with God, the model ministry is Jesus and the tools of ministry are the Word of God and prayer.

### Be Transformed by the Renewing of Your Mind

Embedded in the course structure are group tutorials to provide you with further help and guidance. Help will also be available on an individual basis from the teachers; however in the final analysis your transformation depends upon your submission to the Will of God, the renewing of your mind and your obedience to the Word of God.

### The Adorning with Christ and His Doctrine

On successful completion of your course of study, you will have a deeper understanding of the Word of God, a thorough knowledge of Jesus, the ultimate model for your life and ministry and by the grace of God, a life changing experience.
